

CIGIE LIFT with CIGIE Training Institute Presents:

# CIGIE 101

APRIL 4 • 1:00-2:30 P.M. EDT

Interested in learning more about the Council of the Inspectors General on Integrity and Efficiency (CIGIE) — specifically what this organization is all about and how it's organized? Please join us for an exciting learning opportunity in which Mark Greenblatt, Chair of CIGIE, and CIGIE's own, Dave Gross and Doug Holt, will teach us the history and structure of CIGIE. This event will cover both introductory information appropriate for new members of the IG community and more in-depth context relevant to experienced members of the oversight community who have heard of CIGIE but want to learn more about its history and inner workings.
