

Reimbursable Detail Opportunity

The USAID Office of Inspector General is pleased to offer a reimbursable detail opportunity (six to eight months long) to current Inspector General community staff in the 0511 series at the GS13 or 14 levels to serve as a COR for our contracted performance audits. This detail will be available as a remote work opportunity.

The candidate must have a COR level II certification with experience providing oversight for audits performed by Independent Public Accounting Firms. Please contact Toayoa Aldridge, AIG for Audit taldridge@usaid.gov
