FIVE-YEAR
STRATEGIC PLAN
2018–2022
Message from CIGIE Chair and Vice Chair

In 2008, the Inspector General Act of 1978 was amended to establish the Council of the Inspectors General on Integrity and Efficiency (Council or CIGIE). The Council was created, and is uniquely situated to identify and address issues that transcend individual government agencies, and to enhance the professional development of the more than 70 agencies that comprise the OIG workforce through standards and training.

CIGIE published its first five-year Strategic Plan in 2011. This plan focused on establishing the foundational efforts and focus of the new organization: common standards, enhanced training, collaboration, and greater information access. As a community we can be proud that we made progress across all these fronts. We worked to pass legislation that improved the ability of Inspectors General to perform their oversight work, which included passage in December 2016 of the Inspector General Empowerment Act. Comprehensive community-wide training in audits, investigations, and evaluations has been expanded. We developed, approved, and implemented a quality assessment review process for OIGs conducting inspections and evaluations under CIGIE's standards. Several cross-cutting studies were conducted and subsequently reported for use by CIGIE’s various stakeholders, along with various guides for use by OIGs. Members participate in regular CIGIE meetings to discuss issues of common concern and meet annually at a CIGIE sponsored two day gathering. Most recently, we launched Oversight.gov, a website offering full access to all publicly available Inspectors General reports in one location.

Building on these efforts over the past five years, we are pleased to present the CIGIE Five-Year Strategic Plan for FY 2018–2022, which describes the Council and its staff’s focus for the next five years. As ever, key to this effort is the CIGIE membership, which is necessary to assist and enable execution of this plan. This strategic plan affirms the Council’s commitment to its mandate and to serving as a trusted resource for the IG community, the President, Congress, and our other stakeholders, including most importantly the public. It also emphasizes our vision of a stronger, more capable, citizen-oriented government.

As always, we used the framework of the Government Performance and Results Act (GPRA) of 1993 and the GPRA Modernization Act of 2010 in selecting goals and measures.

We believe that this strategic plan will enable CIGIE to continue its mission of improving government operations, and to serve and strengthen the IG community.

The Honorable Michael E. Horowitz, Chair

Allison C. Lerner, Vice Chair

To implement the Five-Year Strategic Plan, CIGIE will develop an annual performance plan. Annual performance plan objectives, measures, and targets will correspond with the Five-Year Strategic Plan, with many expected to continue in subsequent years. The annual performance plan also will describe the anticipated work of CIGIE for that year. In CIGIE’s Annual Progress Report, CIGIE will report performance measure results and progress on strategic goals.

**Factors That Could Affect Achievement of CIGIE Goals and Objectives**

A number of factors could impact CIGIE’s ability to meet its goals and objectives. The first is funding. A decrease in the CIGIE budget would limit our ability to staff and support work related to CIGIE’s mission. A reduction in funding of our member organizations would impact their capability to perform their functions, maintain their independence, and support CIGIE itself. Another factor is the introduction of unexpected and unfunded legislative mandates. These would require redirecting operational resources, and consequently reduce resources available for planned activities. Requests from stakeholders – including from Congress, the Administration, and the public – can stretch resources beyond what is anticipated and are another factor worth noting here. External requests and responses to extraordinary events, such as disasters or other emergencies, also may require redirection of operational resources. A significant number or extended period of IG vacancies among the membership also has an obvious impact on the ability of CIGIE to achieve consensus on community-wide efforts.
**Council Membership**

- All Inspectors General (IGs) whose offices are established under either section 2 or section 8G of the IG Act, or pursuant to other statutory authority (e.g., the Special IGs for Iraq Reconstruction, Afghanistan Reconstruction, and Troubled Asset Relief Program)
- The IGs of the Intelligence Community and the Central Intelligence Agency
- The IGs of the Government Printing Office, the Library of Congress, the Capitol Police, the Government Accountability Office, and the Architect of the Capitol

In addition, the Chairperson, in consultation with the Executive Council, develops procedures for conducting elections. Candidates for Chairperson may be nominated by any member of the Council or self-nominated.

**Vice Chairperson**

The Vice Chairperson, an IG member of CIGIE, is appointed by the Chairperson. The Vice Chairperson assists the Chairperson in carrying out the functions of the Council and acts in the absence of the Chairperson.
Executive Council

The Executive Council consists of the Council Chairperson and the Vice Chairperson, the chairs of each of the committees, the immediate past Council Chairperson and Vice Chairperson, and, at the discretion of the Chairperson, an at-large member. The Executive Council assists the Chairperson in Council governance.

Permanent Committees

The following are the current standing committees:

Audit Committee
Provides leadership to and serves as a resource for the Federal IG audit community. Sponsors and coordinates audits that address multi-agency or government-wide issues, maintains professional standards for OIG audit activities, and administers the audit peer review program. Provides input to the CIGIE Professional Development Committee and the Training Institute on the training and development needs of the CIGIE audit community and advice to the Chairperson, Vice Chairperson, and Executive Director regarding CIGIE’s contracts for audit services.

Integrity Committee
The Integrity Committee is required by the IG Act and has the statutory responsibility to review and refer for investigation allegations of wrongdoing made against CIGIE IGs and their designated staff members. The Committee is chaired by an IG member elected by the other committee members. The committee consists of four IGs appointed by the Council Chairperson for four-year terms. In addition, the Director of the Office of Government Ethics or designee and the FBI official serving on the Council or designee are also members. The Chief of the Public Integrity Section of the Criminal Division of the Department of Justice, or designee, serves as a legal adviser. In conjunction with the Council Chairperson, the Integrity Committee develops policies and procedures, which are submitted to the congressional committees of jurisdiction. Under the IG Empowerment Act of 2016, CIGIE is now responsible for committee records management and administrative support.
Budget Committee
Provides leadership in the development of the Council’s annual Congressional appropriation request by coordinating a transparent process to assess current CIGIE activities and, in consultation with the Chairperson, Vice Chairperson, and Executive Council, presenting a proposed budget to the membership for discussion and adoption. In addition, the Committee serves as the IG Community’s lead in coordinating with the OMB and relevant Congressional committees to establish and maintain a direct annual appropriation to fund Council activities.

Professional Development Committee
Provides educational opportunities, through the Training Institute, for members of the IG community and ensures the development of competent personnel. Receives input from the Audit, Investigations, and Inspections and Evaluation Committees on the training and development needs of the CIGIE community. Seeks opportunities to improve training methods, enhance the development of OIG staff, and establish training to meet continuing educational requirements.

Information Technology Committee
Facilitates effective OIG information technology (IT) audits, evaluations, reviews, and investigations, and provides a vehicle for expressing the IG community’s perspective on government-wide IT operations.

Inspection and Evaluation Committee
Provides leadership for the CIGIE inspection and evaluation community’s effort to improve agency program effectiveness by maintaining professional standards; leading the development of protocols for reviewing management issues that cut across departments and agencies; promoting the use of advanced program evaluation techniques; and fostering awareness of evaluation and inspection practice in OIGs. The Committee provides input to the CIGIE Professional Development Committee and the Training Institute on the training and development needs of the CIGIE inspection and evaluation community.

Investigations Committee
Contributes to improvements in program integrity, efficiency, and cost effectiveness government-wide by providing analysis of investigative issues common to federal agencies. Provides the CIGIE community with guidance, support, and assistance in conducting high quality investigations. Provides input to the CIGIE Professional Development Committee and the Training Institute on the training and development needs of the CIGIE investigations community. Actively engages the Assistant Inspector General for Investigations Committee to assist in carrying out the Investigations Committee’s goals and strategies.

Legislation Committee
Ensures that CIGIE is kept abreast of matters in the Congressional arena that are of interest to the IG community. Develops, coordinates, and represents the official IG community positions on legislative issues. The Chairperson, in consultation with the members of the Council, may establish additional standing or ad hoc committees, redefine their purposes and responsibilities, or abolish existing committees as the Chairperson determines best meets the needs of the Council and the IG community. Elections for the Chairs of these committees will be held in the spring of every odd numbered year. The Chairs of these committees may be elected.
from among all IGs on the Council. Members of the Committees will be selected by the Committee Chairs in consultation with the Council Chairperson. Members of each committee must include, at a minimum, IGs appointed under both section 2 and section 8G of the IG Act. Members serve a two-year term and may serve consecutive terms. Vice Chairs for these committees will be selected by the Chairs from among members appointed under a category of the IG Act different from the category under which the Chair is elected.

Committee Chairs and Vice Chairs will serve for two years. In the event a Committee Chair resigns during his/her two-year term, the Vice Chair becomes the Committee Chair and may appoint a new Vice Chair. The committees generally have the authority to act within their areas of jurisdiction; however, the issuance of any community-wide report or guidance, other than the Council’s annual report, which the Chairperson approves and issues, shall require a vote of the full Council. Additionally, the Chairperson must approve any expenditure of Council funds. The Committee Chairs will provide the Chairperson and the Council with regular reports on their committee activities.

**Functions and Duties of the Council**

- Continually identify, review, and discuss areas of weakness and vulnerability in federal programs and operations with respect to fraud, waste, abuse, and mismanagement.
- Develop plans for coordinated, government wide activities that address these problems and promote economy and efficiency in federal programs and operations, including interagency and inter-entity audit, investigation, inspection, and evaluation programs and projects to deal efficiently and effectively with those problems concerning fraud and waste that exceed the capability or jurisdiction of an individual agency or entity.

Further, the staff provides a professional education program designed to continually increase the professionalism of the IG community workforce as the community’s gateway to responsive, high-quality, cost-effective, state-of-the-art, specialized training.
The Council maintains its own permanent staff for which the Chairperson provides oversight. Council staff is responsible for supporting the activities of the Council, including, but not limited to, preparing minutes of all Council meetings, drafting Council reports such as the annual report, maintaining the Council’s website and archives, maintaining a Training Institute for the professional training of OIG personnel, supporting the Integrity Committee, and additional functions. The above chart represents the Council’s staff organizational structure.
