
Undercover Operations for OIG Managers Seminar (UCOM)

Who Should Attend: Those who manage IG investigations. Perfect for supervisors who lack training or experience in undercover operations.

What You Will Learn: How to effectively assess and safely manage undercover operations and investigations. Participants will have opportunities to solve problems in a collaborative environment with their peers, and will enhance their management skill set.

Core Topics:

- Attorney General and CIGIE Guidelines on Undercover (UC) Operations
- UC Legal Issues
- Handling Informants
- Backstopping in a Digital World
- UC Operational Planning
- Technical Equipment
- Stress Management
- Storefront Operations
- Financial Management

Comments from UCOM graduates:

“Excellent instructors with vast subject matter expertise.”

“I’m going to recommend that all of our SACs attend this training at next opportunity.”

“UC Ops in-class exercises were excellent.”

“Since I am new to the IG community, this was very informative and will definitely be of use in my new position.”

“Instruction was outstanding and relevant.”
